

# Today's Agenda

---

We will further enhance the corporate value of NH Foods Group by formulating and implementing **a human resource strategy designed to maximize the potential of our human resources (human capital).**

**Maximize corporate value**

**Maximize human capital**

Target benefits   Improvement of employee engagement, value creation, innovation

---

**Improvement of employee engagement**

**Implementation of human resource strategy toward realization of Vision2030**

# Three Pillars of Our Human Resource Strategy

## Supporting personal and organizational growth through human resource development

**Personal growth**  
**Career autonomy support**

Helping individuals to create their own narratives and move toward greater vision of themselves by learning and taking up challenges

**Organizational growth**  
**Enhancement of value creation**

Bringing together diverse strengths to build the capacity to create greater value

## Energized working environments for diverse individuals

Ensuring that individuals can work energetically and with a kr to
